

## PRESS RELEASE

### Omni Helicopters International Publishes Sustainability Report Demonstrating Commitment to Environmental and Social Responsibility

**Lisbon, Portugal, 4<sup>th</sup> of June, 2024** — Omni Helicopters International, Latin America's leading air mobility solutions provider, is pleased to announce the release of its first group-wide Sustainability Report, highlighting the organization's commitments, ongoing efforts and achievements in environmental sustainability, social responsibility, and corporate governance.

The Sustainability Report serves as a comprehensive overview of the group's commitment to sustainable business practices and outlines the strategies and initiatives undertaken to minimize environmental impact, enhance social well-being, and drive long-term value creation.

"We are proud to share our Sustainability Report, which reflects our dedication to responsible business practices and our ongoing journey towards a more sustainable future," said [Emin Aleskerov](#), Chief Sustainability Officer at OHI. "Through transparent reporting and measurable goals, we aim to inspire positive change in our industry and contribute to the well-being of our planet and society."

The Sustainability Report can be found [here](#).

#### About [Omni Helicopters International](#)

Omni Helicopters International (OHI), founded in Portugal in the 90s, stands at the forefront of Latin America's air mobility and delivery solutions sector. As the region's largest provider of these services, OHI caters to diverse customer groups across multiple segments, ensuring seamless and efficient solutions.

Through its subsidiaries [Omni Taxi Aéreo](#) in Brazil, Omni Helicopters Guyana Inc., and Omni Helicopters International Mozambique, OHI offers unmatched capability and capacity to serve offshore customers in the fastest growing offshore energy markets. The company's [extensive portfolio](#) includes Crew Change, Emergency Medical Services (EMS), Firefighting, Search and Rescue operations, as well as highly specialized Cargo and Utility services in remote and challenging locations.

In line with its commitment to [innovation](#), OHI has two groundbreaking ventures: OHI Unmanned, a specialist division focusing on unmanned aerial vehicles (UAV) services, and [Revo](#), a premium advanced air mobility (AAM) solution provider.
