

Omni Táxi Aéreo renews its contract with TotalEnergies

Rio de Janeiro, 12th December 2024, Omni Táxi Aéreo, an affiliate of Omni Helicopters International Group, Latin America's leading provider of air mobility & delivery solutions, is proud to announce the renewal of its contract with TotalEnergies to operate the Lapa field.

Signed for an additional five years, it reinforces a solid and lasting partnership, built over six years of strategic collaboration and operational excellence.

This milestone represents the continuity of a relationship based on trust, the delivery of customized solutions, and a commitment to safe and efficient operations. During the new contract period, operations will be based at Jacarepaguá airport in Rio de Janeiro, with the support of a modern and diversified fleet of large, super-medium and medium-sized aircraft, carefully selected to meet TotalEnergies' operational demands.

"We thank TotalEnergies for their renewed trust and we reaffirm our commitment to offering excellent service, prioritizing safety, efficiency and the best experience for our passengers and partners," said Roberto Coimbra, Omni Táxi Aéreo's CEO.

This is yet another contract renovation that confirms the company's operational excellence.

About Omni Táxi Aéreo:

OMNI Táxi Aéreo was founded in December 2000 on the pillars of safety, unity, transparency, integrity and creativity. It is a leader in offshore air transportation in Latin America, offering high capacity to serve clients in the Oil & Gas and Energy markets. It offers crew change services, Emergency Medical Services (EMS), Fire Fighting, Search and Rescue operations, as well as specialized Cargo Transport services in remote and challenging locations. Omni Air Taxi is part of the Omni Helicopters International Group (OHI).

Omni is the only Brazilian civil operator authorized by ANAC to hoist people with a winch. Besides Brazil, the OHI Group offers this service in Guyana, with a Sikorsky S92 aircraft dedicated to search and rescue missions.

About Omni Helicopters International:

Omni Helicopters International (OHI), founded in Portugal in the 90s, stands at the forefront of Latin America's air mobility and delivery solutions sector. As the region's largest provider of these services, OHI caters to diverse customer groups across multiple segments, ensuring seamless and efficient solutions.

Through its subsidiaries Omni Taxi Aéreo in Brazil, Omni Helicopters Guyana Inc., and Omni Helicopters International Mozambique, OHI offers unmatched capability and capacity to serve offshore customers in the fastest growing offshore energy markets. The company's extensive portfolio includes Crew Change, Emergency Medical Services (EMS), Firefighting, Search and Rescue operations, as well as highly specialized Cargo and Utility services in remote and challenging locations.

In line with its commitment to innovation and sustainability, OHI has two groundbreaking ventures: OHI Unmanned, a specialist division focusing on unmanned aerial vehicles (UAV) services, and Revo, a premium advanced air mobility (AAM) solution provider.
